# Doctor Discovers Pill For Male Enlargement!

**PRO+PLUS PILLS WILL WORK FOR YOU!**  
**WE OFFER A 100% MONEY BACK GUARANTEE!**

**Doctor Approved Pill For Penis Enlargement up to 5 Inches!**  
**You Will Have These Penis Gains In A Few Weeks!**

**FEATURED ON 20/20 TELEVISION. SIZE MATTERS. LENGTH AND GIRTH ARE IMPORTANT. LARGER IS MORE DESIRABLE.**

**THE ORIGINAL AND WORLD'S LARGEST SELLING PENIS ENLARGEMENT PILLS WITH OVER 30 YEARS EXPERIENCE.**

## HOW DOES PRO+PLUS PILLS WORK FOR YOU?

In what has been described as a miracle, PRO+PLUS PILLS will expand the erectile tissue longer and wider with a larger supply of blood so that you will gain up to 5 inches. **You can make that miracle happen!** You can have the size you always dreamed of with the PRO+PLUS PILL. **WE GUARANTEE IT!**

Just imagine when your sex partner sees how thick and long and hard you are. Men will gasp with envy the first time they see the new you in a locker room, shower or gym. Penetrate deeper and see how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

## HOW LONG WILL IT TAKE FOR MY MAXIMUM ENLARGEMENT?

In a couple of weeks the change will be the width and longer lasting erections. After a month or two you will see a change in the length and again you will be thicker and wider. After the third month a very noticeable change, not just in size, but you will look firmer, stronger than you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

## WHAT EXACTLY ARE THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team, PRO+PLUS PILLS is a powerful natural herbal enlargement formula that increases size, stronger erections and maintains your sexual virility. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

## WHICH FORMULA IS BEST FOR YOU? PRO+PLUS PILLS ADVANCED FORMULA

Our exclusive advanced formula for men with a form of HYPOSPADIAS or small penis since they were young. Size now is less than 6 inches and need a guarantee of accelerated enlargement to reach a much larger size. Can also be used by men larger than 6 inches and need guaranteed maximum enlargement.

### PRO+PLUS PILLS ORIGINAL FORMULA

This formula is for men who are now 6 inches or more and want to be guaranteed maximum enlargement.

**PRO+PLUS ENLARGEMENT PILLS** are produced to give you a premium quality scientifically formulated product that can help you achieve all of your enlargement goals.

Please see our ingredients and to order at [www.proplusmedical.com](http://www.proplusmedical.com) or [www.pluspills.com](http://www.pluspills.com)

## OUR 100% MONEY BACK GUARANTEE

**IMPORTANT!** There are many imitations. If you do not see a 100% MONEY BACK GUARANTEE then you DO NOT have a money back guarantee.

**OUR GUARANTEE:** If you are not completely satisfied, return the bottle(s) within 2 months and receive a full 100% refund including shipping.

## WHAT WILL PRO+PLUS PILLS DO FOR ME?

- ▶ A longer, thicker penis enlargement up to 5 inches or more!
- ▶ A longer and thicker penis even when you are not hard. Because there is more blood flow, your penis 'hangs' larger all day.
- ▶ You will have bigger, harder erections. Because of increased blood flow, your erections grow harder.
- ▶ Erections when you want them. Rock-hard erections every time.

## HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Because you are larger you penetrate more sensitive areas of the woman. It is possible for you to reach the most sensitive area of all, a woman's G-Spot. These sensations will produce for a woman the ultimate multiple orgasms. Knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

Manufactured in the USA in high-tech facilities producing thousands of pills and liquids every day and meets the highest standards of purity established by the National Research Council, United States Pharmacopeia, National Formulary and the Food Chemical Codex.

Porn News  
From Your Porn  
Authorities!

## NIKKI BENZ GONE FROM TERA VISION

Porn actress Nikki Benz has been released from the Teravision—the porn production house run by adult video actress Tera Patrick—and will begin working immediately as a freelance porn fucker. Nikki, who was formerly under exclusive contracts to both Jill Kelly Productions and Pleasure Productions before that, left prior to the end of her three-year contract, which was originally inked to last into 2008. Several months earlier another Teravision girl, Lucy Lee, was similarly cut loose. According to Teravision officials, the two pornstars were let go as part of their efforts to further mainstream the company, as well as concentrate more of their efforts in promoting their namesake, Tera Patrick.

## Carmen Luvana—Five Years Of In And Out!

Latina sex star Carmen Luvana says she is thrilled to celebrate her fifth anniversary in the adult entertainment industry. Since the blonde-haired heavy-hooted honey entered porn in 2001 she has been one of it's most shining stars, appearing in nearly 70 sex romps all taking place before she's turned 25. "Five years in porn, that's a long time," Carmen said, "But it's been so much fun, I hardly kept track!" Ever the professional, Carmen, fucking exclusively for Adam & Eve Productions says that while her first five years have been great, she is looking forward to five more, and five more after that, and we'll be there to watch it all over and over again!

## Jade Marcela—From Horny Honey To Semi-Retirement

Although the Indonesia-born Jade Marcela never got the publicity and raunch recognition due her for seven years of superbly performed XXX scenes in over 250 sex flicks, she says she has happily settled into a mostly non-porn lifestyle, spending all her time and energy promoting her website, [www.jademarcelaxxx.com](http://www.jademarcelaxxx.com). As most ethnic performers have learned in the school of hard X-knocks, no matter how good you are at sex, and how beautiful you are, unless you are blonde with big tits, major carnal celebrity will mostly elude you. But the sexy, pretty, hot Asian-looking Jade says she has no regrets—and remains pleased that producers, directors, and co-stars are unanimous that she was one of the horniest sexpots they ever have the pleasure to work with. An unabashed lover of butt-fucking and swallowing man-load, Jade gave up on-screen cock over a year ago. And, as she still does some hardcore work online, there are no plans for a cumback.

## BRIAN SUREWOOD PLANS TO BONE UNTIL 100

There are no known porno records that document who is the oldest living studster to ever fuck on-screen for a buck, but whatever it may be, longtime pro-woodsman Brian Surewood says he is planning to bust it wide open—by screwing until he is 100. "That is the goal, to be able to do a porno movie on my 100th birthday," says the Los Angeles-based cocksmith veteran of more than 1000 fuck flicks since 1996. Surewood, now 43, has been fucking in X-films for more than a decade at a blistering pace, and opines that even if age eventually slows him down, he wants to do a porno at least once a year until he hits 100. "Hey, I like to think positively, know what I mean?"

## Silvia Saint Remaining (Somewhat) Saintly

Despite numerous recent appearances at porn conventions and in XXX fuck flicks produced in Europe, mega-popular porn actress Silvia Saint still refuses to take cock-on-camera, torturing her legions of fornicative fans worldwide to no end. For years the gorgeous Eastern-Euro-born anal sex expert was one of the rising sex stars in Europe and the US, her blonde good looks and love of sperm the stuff legends are made of. But then after leaving X-land for a few years due to a personal relationship, Saint made a cumback in 2003—but only to bang other girls. While the now 30-year-old busty beauty has starred in nearly 300 hardcore tapes since 1997, the Czech-born babe has now become an international porn tease, still keeping her cock-encounters off-camera. No one seems to know if Silvia is holding out for one big payday to give it up to a guy again, or has written off boy-girls scenes for good—but either way her fans still buy her new performances like hotcakes, and hope she goes hardcore once again.

## Porn Gone Wild?

As more and more XXX vids flood the porn tape market daily adult industry producers and directors are pushing the erotic envelope, creating sex movies that are more wild, extreme and edgy than ever before in hardcore history. "It's all driven by the profit motive, not any kind of artistic shift, but regardless, that's the way the business is going now," says veteran porn pusher Jim Malibu, citing the increase in porn products, and decrease in prices paid for the vids for causing the push to the sexual extreme. Indeed, the rush to put out more multi-anal, bizarre fetish, mega-gangbang sexual specialty videos has become so become so across-the-carnal-board, that even fear of legal repercussions aren't fazing a lot of adult biz manufacturers. "This company is currently under indictment and charged with obscenity, but we are producing projects that are more wacky than ever," opines Extreme Associates exclusive contract director Thomas Zupko, one of the most over-the-top award-winning porn auteurs of the past decade. "So for directors like me, it's business as usual!"

## One In A Million

Porn stars do a lot of things after they leave the XXX-biz—including becoming housewives, going to law school, entering drug rehab and committing suicide. But now former sex star Tyffany Million is adding a new job option for ex-sucks-for-bucks babes—bounty hunter. Tyffany, a large-titted blonde who starred in over 150 porn tapes in a carnal career from 1992-97 has become a licensed private investigator in California, and now working as a "bail recovery agent" stalks and captures criminals who don't show up in court.

Working out of the Los Angeles suburb of Santa Clarita Tyffany now operates Skye-Lane Investigations ([www.lainvestigator.com](http://www.lainvestigator.com)), a full-service investigative agency (servicing California and Arizona) and reports business is booming. And, while at first blush going from porn star to bounty hunter might seem like a stretch, in fact, a porn actresses seductive skills—combined with Tyffany's previous experience as a pro-wrestler in the now defunct Gorgeous Ladies of Wrestling (G.L.O.W.)—has apparently made her new profession a perfect segue from adult biz sexing. According to Tyffany's website she and her team of investigators "will make sure your case becomes our top priority. Within our network of thousands of private investigators, world-wide, we have specialists in every imaginable area of PI, such as Polygraph (lie detector), missing persons, asset search, adoption research, surveillance, decoy, undercover, criminal defense, difficult process service, fugitive recovery, and more."

So is bounty-hunting proving more fun than booty-banging? Hard to say, as Tyffany does not do press on her former carnal career, but recent mainstream media stints focusing on her newfound profession in *Marie Claire* magazine and on "Good Morning America" has shown Tyffany to be not only looking good, but doing good!
